

Possum Point Players

Capital Campaign

Show Your Support

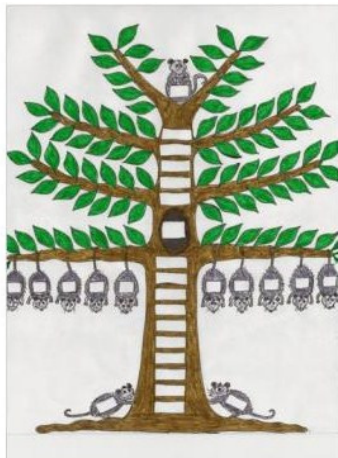

Possum Point Players has been serving Sussex County and the Georgetown area since 1973 as one of the preeminent local community theaters!

Due to the economic downturn, funding and ticket sales have been reduced and now our non-profit theater group must ask for the community's help to continue their mission and become financially sustainable!

The Possum Point Players Capital Campaign's goal is to raise enough funds to pay off the mortgage and have a reserve for operating costs.

We need your support of a charitable donation to help us to achieve that goal and continue to enrich the community with the arts, plus you can take two years to pay!

Show your support of PPP with your name on a plaque, leaf, or brick for all to see!
